1 Retraction

The Editors-in-Chief have retracted this article [1] because it significantly overlaps with an article by different authors that was simultaneously under consideration with another journal [2]. In addition, the identity of the corresponding author could not be verified: Universidad Austral confirmed that Tanriver Ülker was never affiliated to this institution. The authors have not responded to any correspondence regarding this retraction.

Author details

¹College of Information Engineering, Huanghe Science and Technology College, Zhengzhou, China. ²Departamento de Matemática, FCE, Universidad Austral, Rosario, Argentina.
